Alpha Chapter

Event Highlight: Our favorite music related event is probably volunteering at concerts and helping out other Brothers while they are performing. Our marching band was able to return the the stands at football games and our choirs, orchestras, and concert ensembles have all been able to have concerts that we love volunteering at and supporting our Brothers in those Ensembles.

Fave Tradition: Skit night or alumni night

Biggest Accomplishment: Having a successful in person training semester

Zeta Chapter

Event Highlight: We had a pre-show concert around the holidays in remembrance of our advisor, Milt Olsson. Our talented Brother Zach Collin arranged a piece where we played together!

Fave Tradition: Each year, Milt Olsson hosted a holiday party where we ate good food and celebrated with holiday sing-a-longs. Jared Anderson, the head of our VPA department, continued this tradition by hosting this past year's festivities.

Biggest Accomplishment: We survived an education term with a class of nine! Even with the difficulties of the past year, we brought in the biggest class we've had in recent history.

Kappa Chapter

Nu Chapter

Event Highlight:

Caroling around campus & ushering concerts and theatre performances!

Fave Tradition: Rushing and the Education Process overall!

Biggest

Accomplishment:

Taking in our biggest class in years!

P i C h a p t e r

Event Highlight: We held a coffee house last semester and it was a huge hit.

Fave Tradition: We were finally able to hold a Brotherhood retreat which hasn't happened for a few years!

Biggest

Initiation of our most recent classes!

R h o C h a p t e r

Event Highlight: Going to concerts together, Starbuck study night/randomly ditching for target, JJPacks, MLK Jr day and UP200

Fave Tradition: Rocky Horror Show

Biggest Accomplishment: Rising from adversity when we had some problems and learning from it but not buckling under pressure.

Tau Chapter

Event Highlight: Celebrating Presidents' Day together!

Fave Tradition: Our yearly banquet at the end of the school year

Biggest Accomplishment: Successfully planning three different conventions in case COVID came back fully armed.

Upsilon Chapter

Event Highlight: Music & Art Share, Game Nights, mask making OR OPO

Fave Tradition: Friendsgiving and Paper Plate Awards

Biggest Accomplishment: Finally getting our charter up!

Alumni Association

Event Highlight: Midyear!

Fave Tradition: Our MidYear meeting and hanging out with each other instead of sitting in meetings

Biggest Accomplishment: The AA has grown a lot this year, expanding our Philanthropy committee and Outreach to make AA as inclusive and amazing as we can
